

## Facial Treatments

Looking after your skin is a great way to help you look younger. At Le'Chelle we use the unique products and procedures developed over 30 years by Monu Professional Skincare.

Monu products contain active ingredients which provide therapeutic benefits with the focus on enhancing the skins ability to heal and correct challenging skin condition, thus optimising skin health.

### Renu Lift, Anti Ageing Excellence (75 mins) £ 75.00

The ultimate in relaxation and high performance. The key to the Renu Lift is the unique and specialised masks which include the oat mask to decongest the skin and the lifting alge mask to smooth, sculpt and redefine the facial contours.

### Renu Express (40 mins) £ 40.00

An ideal introduction to the Renu anti-ageing range. A rejuvenating and luxurious 40 minute treatment to benefit you and your skin.

### Monu Express Facial (30 mins) £ 30.00

Products are specially selected to suit your skin type to give optimum results. This facial is also an ideal treatment to have prior to a special make up application.

### Monu Aromatic Facial (60 mins) £ 50.00

A soothing and beneficial treatment suitable for all skin types. All products are individually selected and contain the purest essential oils to help balance the skin and maintain a youthful appearance.

### Monu Active Collagen Facial (60 mins) £ 60.00

The ultimate hydrating facial. This treatment has been designed to reduce the signs of ageing, using a mask of pure dried collagen. After just one treatment the skins ability to hold moisture can be improved by up to 75% and after an intensive course of treatments wrinkle depth can be reduced by up to 40%.

### Monu Smoothing Algae Treatment (60 mins) £ 60.00

This top of the range, line smoothing treatment smoothes, lifts and energises the skin using a seaweed compress along with superior treatment techniques to sculpt and refine facial contours.

### Monu Smoothing Oat Facial (60 mins) £ 60.00

This luxurious facial is based around a warming oat mask packed with 100% natural ingredients and proteins with soothing anti-inflammatory effects. This deeply nourishing facial combats dryness and restores elasticity to the skin.
